## CRUZBER SA

CRUZBER SA is one of the leading manufacturers of roof racks and roof bars in the European market with a complete range of solutions for passenger cars, offroad vehicles and commercial vans. Its headquarters and central warehouses are located in the province of Córdoba (Spain), with a surface area of more than 12.000 sqm.

**The Cruz brand leads the Spanish market and is present in over 30 countries, developing and adapting its products to the specific needs of each market.**
